## *Anderson School Song*

*In striving shall our glory be  
We seek until we find  
Stand loyal in each trying time  
Nor ever lag behind*

*Each palm tree waves us on  
The golden sand rejoice  
We move with single aim  
And strong united voice*

*We will not yield whatever task  
May lie within our path  
But revel in the work itself  
Nor fear the aftermath*

*The sea strives with the land  
The river with the field  
We strive and seek and find  
And finding will not yield*
